Subject Material for Diesel Regeneration Meeting

To all -

I thought we could use the briefing material that we gave to Merrylin as a blueprint for our meeting today. I'm attaching the latest version of the briefing to use (I've included some of MZM's comments from our June 10 briefing). The meeting is at 11:00am. Bill, Steve and myself will call Khesha at her number and then we can connect with Michael.

Thanks,

Linc
